August 4, 2014 Everyone's looking for low maintenance ideas for the garden and one of the best solutions that I've come across is to use ground covers. They are ideal for a variety of situations such as an alternative to lawns, dry areas without easy access to water, and slopes. Most ground covers are easy to care for.

Exercise 22. Given a .txt file that has a list of a bunch of names, count how many of each name there are in the file, and print out the results to the screen. I have a .txt file for you, if you want to use it!. Extra: Instead of using the .txt file from above (or instead of, if you want the challenge), take this .txt file, and count how many of each “category” of each image there are.
